China IPR SME Helpdesk

China’s E-Commerce IP Policy and the Role of New Technologies

- Matias Zubimendi, 16.11.2020
Mr. Matias Zubimendi is the IP Business Advisor at China IPR SME Helpdesk, where he advises European SMEs on intellectual property rights matters. Mr. Zubimendi holds a Master’s degree in Chinese Civil and Commercial Law from Peking University as well as a Master’s degree in Intellectual Property Law from Austral University in cooperation with the World Intellectual Property Organisation. Mr. Zubimendi has a strong background in both business development and intellectual property rights protection, having previously worked as a China Business and Legal Consultant at Terragene, where he focused on business development and as a Director of Legal Affairs at Conquer Europe. Previously, he has also worked as a Patent and Trademark Attorney at Phoebus Abogados and Mazzeo & Canet, where he represented SMEs as well as Fortune 500 companies.

Mr. Zubimendi has given lectures at various conferences including the Ibero-American Conference on Chinese Studies and published several articles including *The legal protection of intangibles in the video games industry*. As a Professor Assistant, he has also given lectures on Commercial Law and Procedural law, while focusing on Copyright and AI in his research. Mr. Zubimendi is a native Spanish speaker fluent in English.
